

GO IN PEACE

(written by Vickey Pahnke, Randy Kartchner, & Kenneth Cope)

Go in peace
Go in peace
Simple phrase that has changed
Everything for me
He forgave
So much heartache and pain
Have been freed by this Healer
Who saw good in me

I only need remember
The words He spoke most tender
To a sinner even such as I

Prince of Peace
Shared His treasure with me
And all my sins which were many
Are now released
From this day
I will trust and obey
Every word from my Savior and King
And I'll start with these—
Go in peace
