

GREATER THAN US ALL

(written by Kenneth Cope)

Before we all came to earth
We lived together with God in His world
He helped His children progress
Yet, One advanced so much more than the rest
He was greater than us all

Then Father offered a plan
He'd send us off with a way to return again
But this required a spotless man
One who'd be worthy to free us from sin
Someone greater than us all
And God's most humble Son
Was the greatest One of all

We looked on Him
God's best Son
Would He give His great life for us
Pay the price for all our sins?
And knowing no other could
He humbly said He would

He was greater than us all
God's most humble Son
Was the greatest One
Every heart felt of His love
For us He'd come
The greatest One of all
