

GREEK TO ME

(written by Randy Kartchner & Kenneth Cope)

Dimitrius and family
Sailed from Greece across the sea
Packed their bags and westward bound
To set up shop in yankeetown
They've got me eatin' gyros faithfully
But then there's the lingo

CHORUS:

*It's all Greek to me
What does it mean?*

Francois came in '65
And now he favors apple pie
Gino's stepping up to bat
And Kato drives a Cadillac
Pledgin' their allegiance
But can't they see
That when they get to speakin'...

*It's all Greek to me
What does it mean?
All Greek to me
In the land of the free*

**ztra vœj kan / yrricœ mhynéh
ckra chœ / ppeiplhan zhtœns ckin / miœ tihæ
zhtarz ehn ztryppz / hyi luhf id**

Every other Monday I'm at another cafe
Trippin' through the menu

*Greek to me
In the land of the free
All Greek to me
Is good company
All Greek to me
Is just what we need
All Greek to me
In the land of the free*
