

# HALLELUJAHS

(written by Chris Rice)

A purple sky to close the day  
I wade the surf where dolphins play  
The taste of salt, the dance of waves  
And my soul wells up with hallelujahs

A lighting flash, my pounding heart  
A breaching whale, a shooting star  
Give testimony that You are  
And my soul wells up with hallelujahs

## CHORUS:

*Oh praise Him all His mighty works  
There is no language where you can't be heard  
Your song goes out to all the Earth  
Hallelujah, hallelujah, hallelujah!*

O cratered moon and sparrow's wings  
O thunder's boom and Saturn's rings  
Unveil our Father as you sing  
And my soul wells up with hallelujahs

## REPEAT CHORUS

The pulse of life within my wrist  
A fallen snow, a rising mist  
There is no higher praise than this  
And my soul wells up  
O my soul wells up  
Yes my soul wells up with hallelujahs

## REPEAT CHORUS

*O Hallelujah, hallelujah, hallelujah!*
