

I'LL BELIEVE IN HIM

(written by Kenneth Cope)

I'll believe in Him
All my life
Though the world turns Him away
How could I begin
To doubt in Him?
No one else could be
More real to me

I'll remember Him
Every day
Why He lived and why He died
And when I'm faced with sin
I will turn to Him
If I seek Him
I shall find

CHORUS:

*I'll believe in Him
I'll believe in Him
And this I'll prove
In all I do
So when He comes again
He will call me friend
As I breathe
I'll believe in Him*

I will follow Him
Through the years
I will make His work my own
Keep His words with me
Love my enemy
Live to help my neighbor home

REPEAT CHORUS

He has won me with His love
He has given me so much
And for as long as I live
I will say it again and again

REPEAT CHORUS

I'll believe in Him
