

## LEARNING FOR MYSELF

(written by Kenneth Cope)

Younger and so unsure  
Where could I turn to find my way?  
And the witness I thirsted for  
Could I obtain?  
Then how it came to me  
I heard the words of long ago  
"Ask Him and you'll receive"  
And now I can say, "I know"

### CHORUS:

*I'm learning for myself  
Trusting He will tell  
Doubting no more  
Learning for myself*

There are those who deny my word  
They refuse to believe that God will speak  
But the voice they know not, I've heard  
I've felt His will for me

### REPEAT CHORUS

He is the surest way  
To know of Him  
Go to Him  
For He speaks to those who believe  
And I believe  
So He keeps leading me

### REPEAT CHORUS

*I will knock at the door  
And keep learning for myself*
