

## **NO OTHER NAME**

(written by Kenneth Cope)

Since time began, since Adam came  
When has one man, one single name  
Brought so much change, eased so much pain  
As the babe of Bethlehem?  
He became earth's greatest man

Who else but He, Fathered by God  
Ruling the seas, moving the world  
Came with such love, then gave it all?  
Countless voices have so praised His name

### *CHORUS:*

*No other name has been so heard  
No other man has brought more good  
No other name on earth that saves  
Than the name of Jesus, Lord Jesus  
Jesus Christ  
No other name*

Though man may search, he'll never find  
A hope more sure, a treasure more prized  
Than knowing Him who knew no sin  
He can bring us back to God again

### *REPEAT CHORUS*
