

WHY MUST THE GOOD DIE / FREE AT LAST

(written by Kenneth Cope)

Why must the good die
Why are they taken
Taken away, away
Taken away
Why

(Joseph)
Free at last, safe at last
Mobs and devils are now something of the past
Free at last, home at last
We have overcome by love
Given all that God has asked
That men's souls might be saved
And for this we are slain
Yet in time we shall rise from the grave
Christ redeems, trust and see
Go with me to where God makes you free at last
Free at last
